## Citizens Invited to Visit City Buildings at Open House March 29 - April 5

Going to the polls April 5, the fate of the proposed civic center site, Albany will have the opportunity to visit the city buildings at an open house scheduled for Monday, March 29 and April 5.

The Council Monday night will hold two dates on a motion picture showing by Jerome Blank, who said that the citizens may not know the thousands of dollars of city records, police equipment now being housed in "standard" buildings.

Blank explained that "in the city election the people are going to consider the site for the eventual location of new public buildings."

Blank said that the purpose of the open house, "to acquaint the people with existing conditions under which the city is presently operating, so they may judge for themselves the adequacy of our buildings."

## Rotarians Name New President, Other Officers

Albany Rotarians today have elected a new president and other officers to serve for the coming year, it was announced following the Tuesday luncheon.

The new president is George Irwin, of 956 Tulare Ave., inspector in the Alameda County District Attorney's office, who will succeed Harold Denham when the new staff takes over in July. He has been a Rotarian for the past nine years and served as secretary of the local club in 1951.

Other officers elected included Dr. Robert Bacigalupi, secretary; Charles Roberts, treasurer, and three board of directors, William McAuley, Bert Griffin and Elmer Coble.

Officers were elected on recommendation of the nominating committee headed by Walter Kees.

Plans are being made for the club's 25th anniversary luncheon to be held on March 16 at the Veterans Memorial Building. Speaker for the occasion in which the ladies are invited will be Wallace Johnson, president of the Berkeley Rotary Club.

## Spring Clean-Up Week Scheduled Here March 13-20 to Remove Fire Hazards

### Mrs. Zahn Is Candidate for Re-Election

As a candidate for re-election to the Albany City Council, Councilwoman Mrs. Kathie S. Zahn last week presented her twenty years of service to the City of Albany as qualifications for one of the two Council posts to be filled at the April 13 municipal election. She filed as an independent candidate with the endorsement of house-

wives and a large list of property owners.

Councilwoman Zahn, who has always been vitally interested in community betterment has a complete understanding of Albany problems through active participation at Council meetings for over 16 years prior to her election to the City Council four years ago—and the following is a resume of her accomplishments during that time as a "private citizen" of Albany:

Mrs. Zahn states that: "I was instrumental in introducing State Assembly Bill No. 1704, for the prevention of Trichinosis after an Albany child was stricken from eating raw pork sausage (1939) . . . I secured modern railroad crossing signals at Solano Ave. and Key Route Blvd., entire cost of installation was paid by Santa Fe Railroad (1941) . . . I was instrumental in securing a contract with Herrick Hospital providing adequate emergency care for injured Albany citizens (1944) . . . I secured more efficient transportation facilities for Albany and the East Bay Area, especially the extension of the 43A coach line down Solano Ave. to San Pablo (1944-1946) . . . I negotiated arrangements with Pacific Telephone Co. permitting payment of bills through the Mechanics Bank and the Bank of America (1946-1949) . . . I initiated and secured referendum petition voiding the parking meter ordinance in accordance with the wishes of the Albany citizens (1949) . . . I initiated and secured referendum petition pertaining to Ordinance No. 610 City Manager Form of Government thereby again maintaining for the citizens of Albany their democratic right to decide the issue by popular vote (1950)."

Mrs. Zahn finishing her first four-year term on the City Council said: "As Councilwoman I have endeavored to serve the citizens of Albany in a fair and impartial manner. I have not been influenced in my actions by anything except the desire to do a good job; my every vote has been cast with the desire to protect the taxpayers' money. During my four years in office I have never missed a Council meeting, I have a 100% attendance record."

"I promised the citizens of Albany when I ran for office of the City Council four years ago—that should I be elected to the City Council, I would devote my entire time to their interests and their problems; that I would protect homeowners and taxpayers to the fullest extent against unnecessary expenditures of money; that I would continue to work for improved transportation and that, most important of all, I would keep them always fully informed as to what was going on in the city government; I assured the citizens of Albany that there would never be any surprise moves of any kind, without them knowing it."

"Since I am not a politician . . . I have kept my promises, sometimes under the most trying adverse circumstances, I believe that my past experience as a servant of the citizens of Albany qualifies me to continue for another four-year term on the City Council to serve as the citizens responsible, unafraid representative. Since I am under no ob-

ligation to anyone, if elected, I will continue to vote as my conscience dictates; I feel assured that the citizens of Albany want no rubber stamp in the City Council, but prefer someone, who is not afraid to speak up for what he thinks is right."

Councilwoman Zahn is a graduate of Dr. Scherler's Private Girls College in the former Free City of Danzig and has lived in Albany for over 25 years. She and Dr. Victor Zahn, her husband, a retired research chemist for the Shell Development Company reside at 911 Santa Fe Ave. They are property owners and have raised a family of three children.

### Proclamation

To preserve the record of cleanliness for which the City of Albany is renowned, and as an aid in maintaining the very favorable fire insurance rating enjoyed by this City, the Albany Fire Department in cooperation with the Bureau of Public Works of this city are embarking upon a campaign to enable the citizens of Albany to dispose of all trash, rubbish and other debris which might constitute a fire hazard or other menace and all material which might be unsightly to the public.

Therefore, I, Lewis M. Howell, Mayor of the City of Albany do hereby proclaim the period March 13 through March 20, 1954 as "Spring Clean-Up Week" and call upon all citizens of the City of Albany to wholeheartedly participate in this endeavor.

LEWIS M. HOWELL, Mayor of the City of Albany.

A city-wide spring clean-up week today has been designated for March 13 to 20 in conjunction with the Albany Fire Department's year-round fire prevention program.

During the annual clean-up week the Fire Department will bring before the public the necessity of removing and disposing of trash and rubbish that constitutes fire hazards.

Without charge, the Bureau of Public Works will provide men and equipment to pickup refuse placed between the sidewalk and curb by the residents to be disposed of at the city dump, according to City Engineer H. N. McLaughlin. He said that items of a non-inflammable nature such as concrete, dirt and rocks will not be picked up.

Pickup schedule will be as follows:

Monday, March 15—San Pablo Ave. west and Buchanan St. north to city line.

Tuesday, March 16—San Pablo Ave. east to Santa Fe tracks between the north and south city boundaries.

Wednesday, March 17—Santa Fe tracks east to city boundary between Solano Ave. and the El Cerrito line.

Thursday, March 18—Santa Fe tracks east to the city boundary between Solano Ave. and the Berkeley line.

## Achievement Certificates Given Seniors

For maintaining high scholastic ratings and displaying traits of outstanding citizenship during their high school careers, 10 Albany High School seniors today were named recipients of the annual Bank of America Achievement Awards by Principal Charles A. Moore.

Achievement cups for excellence in general fields of study went to Philip Meads, son of Dr. and Mrs. Philip Meads, in science and mathematics, and Patricia Lynch, daughter of Mr. and Mrs. Richard Lynch, in liberal arts.

For superiority in specific fields of study, certificates of achievement were awarded to Mary Mullins, science; Laurie McGaw, music; Diane Werronen, English; Mary Garrison, art; Marion James, social studies; Claudia Merck, business; Robert Parrino, industrial arts, and Helen Sterner, home economics.

Awardees were chosen from the graduating class by a faculty committee.

## Albany Eagles Endorse Social Security Boost

Full support of President Eisenhower's proposal for liberalizing Social Security benefits was voted by Bayview Aerie, Fraternal Order of Eagles at its meeting Monday night, President Harold Brothers announced today.

"Friends of social security, including Democrats and Republicans are supporting the President's proposals," said Brothers. "The Eagles, who pioneered in the early campaign for old age pension laws and the Social Security Act view these proposals as a long step forward in providing adequate old age security for all Americans."

Brothers announced the appointment of Matt J. Zack, as chairman of the local Aerie's old age security committee.

The resolution, adopted by the local Aerie, endorses the following specific proposals:

Increasing the minimum benefits from \$25 to \$30 per month; increasing the maximum payments from \$85 to \$108.50 per month; covering an additional 10,000,000 persons under the provisions of the Act; exempting the first \$1,000.00 of annual earnings of retired persons from provisions of the law; extending the "earning base" for participants in the plan from \$3,600 to \$4,200 per year; eliminating the four years of lowest income for each beneficiary in computing benefits.

Copies of the Eagle resolution will be sent to Congressmen and Senators.

### Food Sense—Not Nonsense

Let's Have No 11 o'clock Drag!

Breakfast habits of many Americans on-the-go are due for a change—a change back to better breakfasts. Too often, this first meal of the day could no longer qualify as one of the good old-fashioned "three squares a day." People who skip breakfast or eat a skimpy one are apt to drag by 11 o'clock.

These are the people who may say, "I'm not hungry early in the morning." Perhaps they are not, but are they alert at this time or does it take a good lunch to get them into action? Those who lack an early morning appetite might start the breakfast habit by eating small portions of a balanced breakfast, stepping up the quantities gradually.

The cost of mid-morning hunger has been checked in an extensive study at the University of Iowa School of Medicine. During late morning hours, college students who ate a good breakfast turned out more work, were quicker in their reactions—both mental and physical—and did not tire as easily as when they either ate no breakfast or had only unsweetened coffee.

Scientists say that those who skip over this meal or who eat a slim one, frequently fail to get enough of the needed nutrients in luncheon and dinner. For example, fresh fruits which furnish vitamins for sparkle are not always included in the last two meals of the day.

What is a good breakfast? Authorities say that breakfast should furnish from one-fourth to one-third of the daily food needs. Plenty of fatigue-chasing protein should be in the breakfast—at least one-fourth of the daily protein needs should be included if that let-down feeling is not to appear by mid-morning.

A good breakfast can follow a basic pattern—fruit, a main dish such as eggs or a breakfast meat, enriched bread or toast, and milk. All of these foods except fruit are top sources of protein; they feed out a steady supply of energy. Enriched bread supplies not only protein but the essential B-vitamins, riboflavin, niacin and thiamine. Served as French toast, bread can be the basis of a high protein dish which combines eggs, milk and bread.

stant Art Zugnoni and committeemen Lee Hathaway, Ted Sangmaste, Warren Truitt and Lee Winetrou.

Chairman Fred M. Brown has announced that troop meetings are held each Thursday evening at Cornell School.

### PTA Council to Hear TV Speaker

Richard Moore, membership director of KED, channel 9, will discuss programing and financing at a meeting of the Berkeley-Albany Council of PTAs at a meeting scheduled for 10 a.m. in the auditorium of the Berkeley Administration Building, 1414 Walnut St.

Following his address the meeting will be open for questions regarding Channel 9. Moore is a graduate of the University of California and since his graduation in 1949 he has been a free lance writer. He took over as station director for KPFA in Berkeley in 1953, the non-commercial subscription radio station.

Invitations have been extended to school superintendents Dr. Paul C. Bryan of Albany and Dr. Thomas Nelson of Berkeley. Presidents from the 22 council units have invited their principals to attend. The public is also invited to attend.

### St. Alban's Topic

"Handling Temptations" will be the sermon topic of the Rev. John H. Blackledge for the first Sunday in Lent, 11 a.m. at St. Alban's Episcopal Church. He will discuss "The Faith of the Church" during the family worship service at 9:15 a.m. The high school young people's fellowship meets at 7 p.m.

### Spring Schedule Announced for Albany Pool

Spring schedules of the instructional and recreational programs at the Albany Swimming Pool, Portland and Pomona Aves., were announced today by Bert Griffin, Director of Physical Education and Recreation for the Albany City Schools.

Instructional classes for children will be conducted on half-hour schedules from March 22 to June 5. Recreational swimming for children, juniors and adults is scheduled for Tuesday, Thursday and Friday evenings 7:30 to 9:30 and Saturdays 3 to 5. On Thursday evenings the program is one of "Family Swimming," and children and juniors must be accompanied by an adult.

On Monday and Wednesday evenings the pool is reserved for adult education classes. These classes for beginning and intermediate swimming are scheduled from 7:15 to 8:15 and 8:15 to 9:15. This phase of the pool program is conducted by the Albany Adult Education Center.

### CLASSES FOR CHILDREN

One of the most interesting phases of the Albany Pool program is the swimming instruction offered children and juniors ranging in age from 6 to 12 years residing in Albany and neighboring communities.

Albany residents may sign up at the Albany Pool for these instructional classes for children and juniors on March 15, 16 or 17 from 9 a.m. to noon and from 1 to 5: Those from other communities may register during these same hours for these classes on March 18, 19 or 20 or until all classes are filled. At the time of registration the \$2.50 fee for ten half-hour weekly sessions must be paid, and no refunds will be made. This \$2.50 includes admission to the pool, towel fee and half-hour schedule of group instruction.

A child must measure 42" from toe to chin in order to be registered. Also all children and juniors must supply their own bathing suits, and the girls must also wear bathing caps.

The schedule for the half-hour sessions will be on Monday and Friday afternoons, 4:30 to 6, and Saturdays 12 to 3.

For each scheduled class there will be five assistant teachers instructing under Mrs. Lee Noakes, Water Safety Instructor of the American National Red Cross.

### Grace Lutheran

At Grace Lutheran Church, Santa Fe Avenue at Ward, four blocks north of Solano Avenue, the Rev. O. R. Janke, pastor, will speak next Sunday at 11 a.m. on "Satan's Rise and Fall."

Next Wednesday in the second of a series of special Lenten devotional services, the pastor will speak on "The Road to Forgiveness." The service begins at 7:45 p.m.

### PLANNING A PARTY? Guide to Good Food

By Frances Barton

When you're giving a party, so much depends on the refreshments you serve. Besides the usual party fare, you'll want to serve some special delicacy that will have your friends asking for the recipe. Orange-Nut Fruit-Jells will establish your reputation for homemade candy with young and old alike. Everybody likes its tangy orange flavor—and who can resist a candy that's rich with crunchy, chopped walnuts?

Orange-Nut Fruit-Jells are economical and really so easy to make—just take fifteen minutes from your busy schedule and prove it! Each piece has the consistency of gumdrops and there's never a worry about smoothness, for Certo liquid fruit pectin gives a perfect jelling quality to each batch you make.

#### ORANGE-NUT FRUIT-JELLS CANDY

Yield: about 5 dozen candies (1 1/4 lbs.)

1 bottle Certo Liquid fruit pectin	1 cup light corn syrup
1/2 teaspoon soda	1 1/2 teaspoons orange extract
1 cup sugar	1 teaspoon grated orange rind
	1/2 cup chopped walnuts

Four liquid fruit pectin into 2-quart saucepan. Stir in soda. (Pectin will foam as soda is added.) Mix sugar and corn syrup in another saucepan. Place both saucepans over highest heat. Cook both mixtures, stirring alternately, until foam has disappeared from pectin mixture and sugar mixture is boiling rapidly. (This takes about 3 to 5 minutes.)

Four pectin mixture in a slow steady stream into boiling sugar mixture, stirring constantly. Boil and stir 1 minute longer. Remove from heat. Stir in orange rind, extract and chopped walnuts. Pour immediately into 8x8-inch pan. (Or use 8-inch pie pan or round layer pan, or 9 1/2x5 1/4 or 10x6-inch loaf pan.) Let stand at room temperature until mixture is firm and cool (about 3 hours). Cut into 1/4-inch squares and roll in confectioner's sugar. . . . Note: If gumdrops are to be stored or packaged, let stand overnight at room temperature before storing, to prevent weeping.

### Hospital Branches Slate Annual Easter Fair Event March 4-5-6

The sixteenth annual Easter Fair, staged by members of Children's Hospital of the East Bay, is on the calendars of Branch members and their friends for March 4, 5, 6, and 7 this year. This largest single hospital benefit event always falls on the first week-end in March. It consists of a four-day carnival of special events, exhibits and displays at the Hotel Claremont in Berkeley.

Mrs. Wm. Harold Oliver, general chairman of the Branches, is issuing the announcement of plans for the Fair. She is aided on arrangements by a large committee of 45 Branch members carefully chosen for their experience and competence in successfully handling the myriad details which surround the various exhibits and ten special events which comprise the Fair.

Mr. and Mrs. Claude Gillum of the Hotel Claremont contribute for the Easter Fair all the needed space and facilities, and the entire staff cooperates to ensure smooth operation of the Fair. The main lobby and Coral Room are filled with 35 specially attractive exhibits put in by commercial firms. The mezzanine is cleared of its usual furnishings to make room for a beautiful exhibit of table settings open throughout the Fair. This one exhibit alone every year attracts several thousand visitors, especially artists, fanciers of antiques, and hostesses who seek there new ideas for entertaining.

Two innovations this year promise to add more than the usual gaiety and interest to the Easter Fair. One of these is the substitution, on Saturday night, of a "Top Talent Show" in the place of the formal dinner dance which members have enjoyed in the past. Around a dozen acts are being selected for this show, some in which Branch members participate, others special talent which individual Branches are sponsoring.

In true 1954 3-D fashion, the second innovation will be two showings on Sunday, (always "Family Day" at the Easter Fair) of stereoscopic slides made with the new "realist"-type cameras. Members who have pre-viewed some of the pictures to be shown have been most enthusiastic over the reality and depth possible of achievement with these new cameras and projectors.

The Easter Fair opens with the traditional Mardi Gras carnival preview Thursday evening for Branch members and their friends. The annual fashion show luncheon on Friday is always the major fashion event of the spring, always attracts around 1500 women to fill the main dining rooms of the hotel.

Dr. David Dressler, noted criminologist and writer on crime, will fill the Friday night lecture spot, while Children's Variety Shows Saturday morning and afternoon, and the "Sub-Deb Fashion Show" later Saturday afternoon are the high points for youngsters and the high school set.

Mr. and Mrs. Johnnie D. Jefferson of 1030-E Wilson St. are announcing the arrival of Rose Lynette, born January 23 at Herrick Hospital. She weighed 6 pounds and one-half ounce.

## Cosmopolitan Opera Co. Opens Spring Season at Opera House

The Cosmopolitan Opera Company, (Campbell McGregor, President and Dario Shindell, General Director), opened its popular-priced opera season on Tuesday at the War Memorial Opera House in San Francisco with Verdi's "La Traviata." Anton Coppola, brilliant American-Italian conductor, is directing the season's repertoire.

"Tosca" on March 5 marks the return of a San Francisco favorite—Selma Kaye—fresh from triumphs in Italy where the Italian press acclaimed her "dazzling combination of voice and acting." Walter Fredricks will sing the role of Mario opposite Kaye.

"Carmen" (March 9) will introduce the Spanish artist Lydia Ibarondo, one of the most exciting personalities before the public to-

day.

"Cavalleria Rusticana" (March 12) will star Selma Kaye as Santuzza. Her Turiddu will be the personable California tenor Dean Smith (San Francisco critics recently praised his performance of Pinkerton in Madame Butterfly with the Fujiwara Opera Company).

Lovely Mina Cravi return to San Francisco to sing Mimi in "La Boheme" (March 16). San Francisco critics and audiences have hailed her performances with the San Carlo Opera.

"Madame Butterfly" (March 19) with Mina Cravi as Cio-Cio-San will close the season. Lydia Ibarondo will portray Suzuki. Davis Cunningham and Grant Garrell will be heard as Pinkerton and Sharpless.

## Pre-School Life Is Fun, Says Tot

"Hi, Mothers of Albany. I'm here to tell you of a wonderful place where Mommy takes me to play. It's called Albany Preschool at 850 Masonic Ave. We have large and small trikes, wagons, big blocks and slides and a jungle gym—and so many toys. Gee, you can have your pick.

"When we come to school, the director, Mrs. Curran, checks us to see that we don't have colds or rashes. Then we go out in the yard to play. That's what I like—to play with the other boys and girls. We have four mothers who see that we don't get hurt and to help up when we need them. Then it's pick-up time and we go inside and have juice and crackers. We can paint at the easel or color or play with the peg boards. Then we have a rest time and sometimes I go to sleep—but it's just a little nap—and when I wake up, I'm ready to go out to play. Some days we have stories, or finger painting or sometimes I bring a record and we all listen to it.

Then there's Mommy waiting to take me home. One of the mothers helps me with my jacket and I run to Mommy for my hug. Then I tell Mrs. Curran 'Goodbye'—but I know I'll see her tomorrow and maybe I'll build a house with the

blocks or a train or an airplane.

"If you would like to play with me and my playmates, ask your Mommy to call LA. 5-5704 or go see Mrs. Curran at 850 Masonic Ave. and you too can be a preschooler just like me. My Mommy says there are children on the waiting list, so tell your Mommy to hurry and sign you up."

## Albany Receives CD Transmitter

Mayor Lewis M. Howell today announced the arrival of a new transmitter and two receivers that will be used for civil defense communications.

Howell said that the new equipment was being supplied and installed by State and Federal civil defense agencies in strategic locations throughout the State.

Estimated to be valued at \$2000, the equipment will be installed by the State at the Albany Defense Control Center in the City Hall, and will be equipped with two frequencies established by the Federal Communications Commission.

## A Lemon Meringue Pie Made With Sweetened Condensed Milk Needs No Cooking

THAT EXPRESSIVE PHRASE "EASY AS PIE" may well have originated with this Lemon Meringue pie that requires no cooking at all outside of the few minutes it takes to brown the meringue. It's the sort of dessert that's tailor-made for days when you don't want to go near the stove.

The magic secret is that the lemon filling is made with sweetened condensed milk. This failure-proof filling is guaranteed to be smooth and creamy and always of perfect cutting consistency. The important thing to remember is the sweetened condensed milk. The recipe won't work with any other ingredients: lemon juice, lemon rind and egg yolks for a delicious filling that doesn't need any cooking. It is all ready to be poured into a "crust" made from crushed vanilla wafers or graham crackers. This type of pie shell also eliminates the necessity of lighting the stove. Of course, if you wish, you can make an easy pastry shell from a quick mix.

Finally crown the pie with a light meringue and presto you have a veritable midsummer's day dream all done in a jiffy.

### MAGIC LEMON MERINGUE PIE

1 Crumb or baked pastry 8-inch pie shell  
1½ cups (15-oz. can) sweetened condensed milk  
2 eggs, separated

Put sweetened condensed milk, lemon juice, lemon rind or extract, and egg yolks into mixing bowl; stir until mixture thickens. Pour into chilled crumb crust or cooled pastry shell. Add cream of tartar to egg whites; beat until almost stiff enough to hold a peak. Add sugar gradually, beating until stiff and glossy but not dry. Pile lightly on pie filling. Bake in slow oven (325° F.) until lightly browned (about 15 minutes). Cool. Makes an 8-inch pie. (ANS)

1 teaspoon grated lemon rind or ¼ teaspoon lemon extract  
¼ teaspoon cream of tartar, if desired  
4 tablespoons sugar

## Junior Red Cross Launches Drive

With the slogan, "We care—we share—we learn—we earn—we reach—we teach," the Junior Red Cross Enrollment and Fund drive was launched today at a council meeting at headquarters of the sen-

ior chapter. Representatives of all Berkeley, and Albany schools, public, private and parochial, were present.

Feature of the kick-off was a socio-drama depicting a school assembly, members of the council acting out the roles of principal, teacher-sponsor, and officers and students to put on the enrollment drive to achieve a hundred per cent sign-up of all students in Berkeley and Albany.

"Junior Red Cross funds are kept separate from the senior chapter funds, and are not used for administrative purposes," Mireya Asturias, publicity chairman of the council stated. "Funds raised in the schools are used only in service projects for the community, the nation and the world."

Each member of the council was made a one-man delegate to enroll every member of his class in the Junior Red Cross.

Officers of the council are Noel Clemons, president, Bill Dublin, vice-president, Morley Morgana, Secretary and Mireya Asturias, publicity director.

An interesting feature of the new day in Hollywood is the fact that, as fast as their contracts run out, most of the established stars are becoming free agents. The major studios have cut their rosters down to a handful of contract stars—two or three against a former list of dozens or hundreds. What does this mean to us? It means that almost all of the movie stars are becoming free to work in television as they want to... and doing their movies on a free lance basis.

Sometimes movie and other commitments will interfere with TV work. For instance, Farley Granger and Jeanne Crain were scheduled for leads in the Lux Video theater's version of "A Place in the Sun." Late changes forced them to cancel out, and their roles were taken by John Derek and Ann Blythe... two other stars who will be seen more on TV in Hollywood's "new day."

Cass Daley, a movie, radio and night spot star who has been out of the limelight for several years, was a big hit in her recent guest appearance on Bob Hope's video show. She now seems certain of her own regular program as soon as NBC's idea men find the right format for her clowning style. With a "new day" of brighter stars than ever on the TV screens, you'll want the right format for the best possible Televiewing. We have the answer: it's a new Philco TV set with its truly magnificent innovation: Deep Dimension... but to get the complete story on Philco TV, in interesting detail, consult SIP'S RADIO & TELEVISION SERVICE, 1553 Solano Avenue, Albany, California. ## TO THE VOTERS OF ALBANY

As the date of my retirement as your Chief of Police approaches, it is natural that I should express myself in regard to the future administration of the Police Department.

During my long period of service, the Department has advanced from the "TOWN MARSHAL" stage, to the modern plant that exists today. Such an organization is one that requires proven Leadership and Executive Ability, in order to assure fullest efficiency.

While the candidates for the office which I am vacating are all men of unquestioned integrity, a serious analysis of the qualifications necessary for the position, indicates to me that MR. MOORE is outstanding as the man who could best provide the Leadership and Administrative qualities which are so essential.

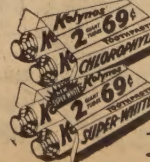

MR. MOORE'S close association with the Department, in the capacity of Special Police Officer, over a 14-year period, plus his own successful career, have placed him in a position whereby his mature judgment in directing the affairs of the Department could only result in a continuance of the high standards which now prevail.

MR. MOORE has my unqualified endorsement of his candidacy, and I strongly recommend his election as my successor to the office of Chief of Police.

STANLEY C. WILLIAMS,  
Chief of Police.

## Legion to Hold Baseball Night

With spring in the air and the baseball filber's thoughts turning to the National pastime, Albany Post No. 292, American Legion will stage a baseball program tonight at 8 o'clock at the Veterans Memorial Building.

Some of the program features will be movies of the World Series

and vaudeville acts staged by old-time baseball stars. Joe Olsen, former Yankee pitcher will be the master of ceremonies with many of his old baseball friends participating on the program.

Gilbert Sutherland, chairman has extended an invitation to all men of the community interested in baseball to attend as guests of the Post.

Among the invited guests are Brick Laws, owner of the Oaks; Bud Foster, sports broadcaster; George Kelly, former Giant first baseman, and Bill Laws, sports-caster. In keeping with the theme of the evening, hot dogs, peanuts and beer will be served free to members and guests.

## Senior Citizens See Gala Variety Show

The Tuesday afternoon meeting of the Senior Citizens of Albany was a social success, with 28 members attending and rewarded with a half-hour show of entertainment.

Ray Zursluf, a captain in the Berkeley Fire Department, accompanied by Mrs. Ryken, sang and danced for the group. His wife, Evelyn, did a wonderful gypsy dance and Mrs. Frank McDermott, an artist on the Orpheum Circuit for many years under the stage name of Frankie Burke, entertained with songs in the manner of Sophie Tucker.

The next meeting will be held at the Albany Recreation Center, 850 Masonic Ave., Tuesday, 7:30 p.m. Another entertaining program is being planned by the Soroptimist Club, sponsors.

## Methodist Women to Hold Luncheon Today

Mrs. F. F. Foster will preside at the business meeting, and a Spanish theme luncheon will be served by members of Martha Circle at 12:30 p.m.

## Scout Troop 42 Map Program

Troop 42 Committee Chairman Ned Thomas was recently congratulated by members for his submission of an outstanding spring scout program, which has been enthusiastically endorsed.

The Committee meeting was attended by Neighborhood Commissioners Dick James, Henry Belterive and William Woolworth; Committeemen Bill McGimpsey, Ben Logan, Jack Lott, Roy Trotter, Carl Fosselius, Phil Miller, Robert Rogers, Charlie Anderson, Gene Hellwig, Warren Patton and Paul Flegel.

Included in the coming events will be trips to U. C. Observatory, the zoo, roller skating, Marin County trails, and YMCA swimming pool.

In addition to the regular Monday evening meetings, an overnight snow trip come up in March.

Progress in Scouting is assuming an increased tempo, since about half of the boys have recently acquired higher scout rank. During the Quarterly Court of Honor held in Marin School's new cafeteria, Advancement Chairman Ben Logan supervised the presentation of

the awards as follows: Tenderfoot — Alan Kilpatrick, John Souza, Steve Golden, Bill Fauntleroy, Paul Pericotti; 2nd Class—Roger Hearn, George Fosselius, Philip Herbert; 1st Class—George (Skip) Thomas, Roy Evans; the high rank of Life Scout to

Duane Lott; and assorted Merit Badges to Danny Trotter, Martin Lott, and Ridge Patton, Gordon Frankie and Dave Turner.

Most recent tenderfoot is Rose Miller, whose father immediately offered his own services as troop committeeman.

## ALBANY CIVIL SERVICE CLUB Urges Voters to Elect a Trained Officer for Police Chief

It is true that there is no greater obligation to yourself and the future protection of your city than to seize the opportunity that you will have at the coming election in selecting a Police Chief who will provide law enforcement protection of only the highest quality.

Today, those who give the most trouble are those who have made a criminal life a profession and are well trained. They brief themselves carefully on every "job" as they would if their activities were legitimate. To frustrate and bring to an end these activities it is essential that we have well trained and experienced peace officers who are diligent in studying the requirements of their position.

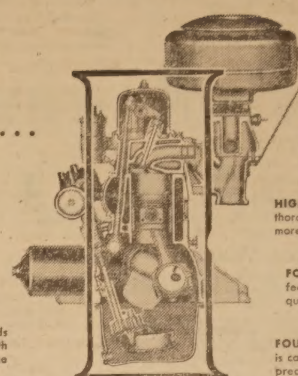

Entrance examinations are given every applicant to eliminate the unsuitable and choose those with competence and ability to meet the extraordinary circumstances as well as the ordinary ones. After their entrance to the force much is accomplished by systematic courses in law enforcement schools supplemented by actual experience.

In the past, three former Albany police officers have left the service of our city to become the Chief of Police in other cities. Certainly, you, the voters, must realize that if other cities have selected men from the ranks of our department as their Police Chief it exemplifies the type of personnel we have. The concept of advancing trained, experienced and able officers to the office of Chief of their department as a just reward for loyal and efficient service to their city not only retains men of exceptional ability but gives them an incentive to work for advancement.

The Albany Police and Fire Civil Service Club, Inc., composed of members of the Albany Police and Fire Department, APPEALS TO THE CITIZENS OF OUR COMMUNITY TO SELECT A MEMBER OF THE ALBANY POLICE DEPARTMENT AS YOUR CANDIDATE AND ELECT A TRAINED, EFFICIENT AND EXPERIENCED MAN FOR THE IMPORTANT POSITION OF YOUR CHIEF OF POLICE.
